# UNITED WE CAN

The South Wood County Hunger Coalition is hosting the eight annual United We Can food sculpture contest. Teams from around the community will create sculptures made entirely out of non-perishable foods (and other basic need items) donated by businesses and friends! After the event, the SWC Hunger Coalition will distribute the collected items to area food programs. In 2019, this event collected 8,485 pounds of food, for a total 47,580 pounds of food since 2013! Register your team by May 15, 2020 for a chance to win special prizes! **Can't be there that day to build? SPONSOR A TEAM! Call Jodi at United Way at 715-421-0390 for details!**

## RULES

- Sign up for the Major League using over 500 items. Sign up for the Minor League using under 500 items.
- You may build any kind of structure. It can be as simple as a logo or as ornate as you would like.
- You may use other props and supporting materials when building your sculpture, but your structure must be comprised of at least 50 percent food items and/or basic needs items. A platform is suggested.
- The sculpture must fit within a 10'x10' space.
- Collected items cannot be painted, taped or otherwise altered in a way that makes them unsuitable for donation.
- Stalls at Witter Field do not allow for 360° viewing of your sculpture, but you can incorporate signage.
- A team from your organization must set up the structure between 10am and 4pm on June 17, 2020. It is not necessary for your team to be there the entire time. Someone from your team **MUST** return on Friday, June 18th between 9am and 11am to remove any non-food or supporting materials used in your construction.
- As you are planning and constructing, please track the following:
  - Number of items. For example: 2,000 cans of tuna and 16 jars of peanut butter.
  - Dollars invested.
  - Number of committee members.
  - How did you obtain the items? For example: food drive, corporate donation, employee collection, etc.
