WHY GIVE?

For 80 years, United Way of South Wood & Adams Counties has been changing lives. We help to fund 29 local programs and are committed to continuing this impact in the upcoming year with your help. Through partner programs that support Education, Income, Health and Safety Net Services as well as our 2-1-1 Contact Center, Volunteer Center and many other initiatives we are helping solve the most critical issues in our community.

We invite you to join us! Support our work to lift up 20,000 individuals, one person or family at a time. As we celebrate our 80th birthday, what do you think those individuals and families in need would wish for? By donating to United Way, together we can make wishes like these come true in our community!
