CREATING LASTING CHANGE

CONGRATULATIONS! You’ve just become a part of an organization that helps others by contributing to United Way of South Wood & Adams Counties. If you are new to our community, you will find our United Way to be an efficient and effective community problem solver. If you have lived here for any length of time, we are sure that the services provided through United Way have touched the lives of your family, friends or neighbors at some point.

One of the most tangible ways we demonstrate our concern is by investing in our local United Way.

WHY GIVE TO UNITED WAY?
United Way helps people build and sustain better lives by investing in programs, coalitions and initiatives that provide the Building Blocks of a Better Life: Education, Financial Stability, Health and Safety Net Services. We leverage resources to GET THINGS DONE by engaging volunteers and convening / participating in community partnerships.

HOW CAN YOU HELP?
Just complete our pledge card and return it to your human resources department, or give online. You can also make one-time gifts, gifts of stock or annuity and estate plans.
