## EVERYDAY NEEDS

With many Affiliate Agencies to work with, you can choose from dozens of opportunities to help local programs with specific, day-to-day needs. Whether you have one hour a month, or you're looking for something to do every day, you can find opportunities that are a fit for you.

## EVENTS & INITIATIVES

From our Volunteer Reception Center training to the Great Book Giveaway & United We Can events in summer, to Stuff the Bus & Day of Caring in fall - you can make an impact any time of year! Events are the perfect way to be more involved when you don't have time for an ongoing commitment.

## TEAM BUILDING PROJECTS

Bring your family, a group of friends, or plan your next professional team building activity around a volunteer project! Pick an event like Day of Caring, connect with United Way to set up a custom opportunity, or ask about Group Impact Projects designed for corporate partners and groups.
